

RHIN-O-TUFF

Power Trowels

www.rhino-tuff.com Made in the U.S.A.

Lift Bale

An accessory on other power trowels, a lift bale comes standard with your Rhin-O-Tuff power trowel.

Rapid Pitch™ Handle

Rhin-O-Tuff's all new Rapid Pitch™ blade pitching system is weight counter-balanced with infinite blade pitch adjustment from flat to maximum pitch.

Pat. pending

Vibration Isolators

Improve worker comfort and extend operating time.

Gearbox

Has 20% more oil capacity than other popular trowels. Runs cooler and lasts longer.

Adjustable Handle

Get infinite adjustability without wrenches with your Rhin-O-Tuff power trowel's unique new handle design.

Belt Guard

Your Rhin-O-Tuff power trowel features an industry-first SnapFit belt guard that allows easy access to maintenance areas. No wrenches required or fasteners to lose. The SnapFit guard eliminates time wasted removing and replacing belt guards.

Pat. pending

A new and unique Handle Design! Pat. pending

Maximize operator comfort with Rhin-O-Tuff's revolutionary "vibration dampening" adjustable handle that minimizes the vibration transmitted to the operator thereby reducing the risk of operator repetitive injuries. The uniquely designed, fully adjustable handle increases running time up to 4.4 hours per day without exceeding ISO standards. Other manufacturer's trowels exceed ISO standards in less than 30 minutes, with some models exposing operators' arms/hands to the maximum vibration limits allowed in as little as 6 minutes.

Available March 2007

Rhin-O-Tuff's all new Model RE35H5 edging trowel with rotating guard ring is large enough to effectively finish concrete yet agile enough to finish within 1/8" of a column or wall.

PRODUCT SPECIFICATIONS

Model	Blades	Ring Diameter	Power Source	Rotor RPM	Weight (lbs.)
RE35H5	4	35" (rotating ring)	5.5 HP Honda	65-130	196
R36H5	4	36"	5.5 HP Honda	65-130	194
R36H8	4	36"	8 HP Honda	65-130	216
R46H9	4	46"	9 HP Honda	65-130	255
R46H11	4	46"	11 HP Honda	65-130	270
RX46H11	4	46"	11 HP Honda	85-150	270

Options:

Rapid Pitch™ blade pitch system (not available on model RE35H5)

Lift Bale, weight centered for 9 HP Honda unit

Lift Bale, weight centered for 11 HP Honda unit

Extended Standard Pitch Handle for 46" models is 12" longer for easier control.

All models come with Standard Twist Pitch Handle (SPH). Rapid Pitch Handle (RPH) available on request.
