

# BRB-2800

The BRB-2800 is a ride-on floor scraper that runs on LPG (liquid propane gas). This revolutionary machine is designed to tackle the toughest projects and makes removing a wide range of materials faster, easier and more effective than those out-of-date jack hammers and hand scrapers. It has zero turn ability and hydraulic steering for precise maneuvering in tight areas. The BRB-2800 will remove waterproofing membranes, tile, carpet, vinyl, hardwood flooring, thin set adhesives, rubber, elastomeric coatings, sports flooring, and pool deck coatings. It is powered by a 27 hp Kohler engine with a catalytic convertor.

- \*Production Capacity: up to 8,000 sq. ft. /hr.
- Blade width: 2, 3, 4, 6, 8, 12, 14, 27, 36 inches
- Travel Speed: 485 ft. / min.
- Engine: 27 hp Kohler
- Dimensions (L x W x H): 74"x30"x68" (w/ propane cylinder)
- Weight: 2800 lbs.
- ◆ Fuel: 33 lb. bottle liquid propane gas
- Exhaust System: Catalytic Convertor
- Lights: Headlights & Flasher

Available 3-Hole Tool Adapter
