

WAYNE®

Efficient 6 yd³ Manual Side Loader

FRAME MOUNT

Add a barrel dumper or a cart dumper to either side.

Hook up and go, works with any hook lift.

Pull it or park it, the trailer mount is always ready to work for you.

WAYNE®

This small body side loader is built for a life time of collection. The PUP is ideal for parks, bicycle trails, beaches, resorts, recreation areas, zoos, campuses, mobile home courts and small-gated communities. The easy access side doors allow loading of bags, cans & boxes. Add the barrel or cart dumper and handle residential trash containers.

The PUP – the little packer with big performance.
